6. **Patrolling you Fleet (Rules & Guidelines):**
  - a. Patrol boats do not create wakes, or otherwise interfere with competitors.
  - b. Ask sailors if they need assistance prior to helping them unless there is an emergency.
  - c. Stay on the outside of the racecourse as to not interfere with the competitors.
  - d. Report to **Dock Committee** any retiring boats or injuries that need to be addressed.
  - e. Count boats every couple of minutes to make sure that all boats are tracked.
  - f. If there is an **emergency** in a fleet please notify the Instructor on Duty, the Program Director, or Dock Committee via radio or cell phone.
  - g. Reduce amount of personal cell phone use while patrolling.

7. **Patrol Boat. Ideally your boat should have:**

- ✓ Access to water from large part of perimeter of boat
- ✓ High maneuverability
- ✓ Towing bridle or adequate cleats that are bolted and reinforced
- ✓ A proper guard

8. **Patrol Gear**

- ✓ Life Jackets-- ideally worn when operating a patrol boat in the event you need to assist
- ✓ Ignition cutoff (kill switch) – this is a new federal law that must be attached while operating
- ✓ Whistle or horn
- ✓ RADIO-- (Channel 69) either handheld or mounted but must be in working condition

Anchor

- ✓ Orange CYC Patrol Flag
- ✓ Line or webbing cutter (knife)
- ✓ Extra ropes/lines
- ✓ Bailor or pump

9. **Patrol People**

- ✓ Please let Patrol captains know if you have First Aid or CPR Training
- ✓ Knowing your boat and your own limitations
- ✓ 2 physically able adults
- ✓ Drivers License or Motorboat license (Level 1 training for staff members)
